Skills

Others

Polish native speaker,
English language
on B2 level

Driving licence
cat. B

For two years I'm very active person in the Student Committee on Culture of the Jagiellonian University. Organises events and urban games (since the beginning of Juwenalia urban games). Sometimes, as a volunteer I was aid at various events (eg, the Congress of Polish Culture). To my accomplishments I can add victory in the robots built with Lego Mindstorms tic-tac-toe tournament. In addition to graphics, organization of urban games, I am also interested in architecture and the world around us:)
